PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 08/08/2024, and 09/10/2024.

On March 6, 2024, Mr. Robert Agli signed his conditions relative to case number 4:19CR06043-SAB-1, indicating he understood all conditions as ordered by the Court.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

3

Mandatory Condition #3: You must refrain from any unlawful use of a controlled substance. You must submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests thereafter, as determined by the court.

Supporting Evidence: Mr. Agli is alleged to have violated mandatory condition number 3 by ingesting codeine, previously occurring on or about September 9, 2024, based on urinalysis testing.

Specifically, on September 9, 2024, Mr. Agli reported to the U.S. Probation Office in Spokane for urinalysis testing, among other obligations. Mr. Agli subsequently submitted a urinalysis sample that tested presumptive positive for morphine. Mr. Agli denied any such use.

Re: Agli, Robert Silvio**September 18, 2024****Page 2**

On September 16, 2024, the laboratory test result was received by the undersigned officer, which confirmed Mr. Agli's urinalysis sample on September 9, 2024 was positive for codeine. On September 18, 2024, Mr. Agli was contacted telephonically and denied any use of codeine, but did indicate that he does on occasion take over the counter ibuprofen and Tylenol for pain as needed.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
